Sir,

Re - Revision of the scales of pay of the employees of the Ajjampur Minor Municipality -

Adverting to your Demi Official letter No L.4441 dated 29th October 1948 enquiring whether the Ajjampur Minor Municipality is in a position to bear the recurring expenditure involved in the above proposal, I wish to forward herewith a copy of my review on the budget estimates of this Municipality for the year 1948-1949 and to state that the proposal involves an extra recurring expenditure of Rs 1056/- per annum and that a provision of Rs 1000/- has been made in the Budget of the Municipality for the current year under " Expenditure of previous years adjusted in current year"

It may be stated in this connection that the normal income of the Municipality for the year is more than the normal expenditure and that the financial position of the Municipality can be said to be satisfactory Proposals regarding the levy of octroi duty on soaps, Coffee and Tea etc are under the contemplation of the Municipal Council and when the sanction of Government is accorded thereto, the resources of the Municipality will further improve.

In these circumstances, I request you kindly to obtain the sanction of Government to the revision of scales of pay of the Municipal employees of the Ajjampur Municipality as detailed in my letter dated 27th September 1948.

Yours faithfully.

H P Ramanarayan

Deputy Commissioner,
Chikmagalur District.

Due provision will be made in the Budget of the Municipality for the year 1948-1949.

A statement showing the names of the employees for whom enhanced salary has been drawn and the dates from which such enhanced rates of pay have been drawn is enclosed with the records It is stated by the President that the pay of the employees was drawn at the rates proposed to be enhanced, with effect from 1st January 1948 in anticipation of sanction of Government as per resolution dated 25-2-1948 of the Council in view of the repeated representations from the employees of the Municipality, particularly from the conservancy staff and and for fear of an apprehended strike This ~~all~~ allayed the discontentment among the said staff and paved the way for the smooth working The revised scale of pay has been drawn in respect of the Health Inspector from 1st September 1947 as in the case of Government employees.

In the foregoing circumstances, I request you kindly to obtain the sanction of Government to the proposal of the Ajjampur Municipal Council. The proposition statement received from the President with a certificate of verification with reference to the scale register of the Municipality is enclosed with the records The proposal involves an extra cost of Rs.88/- per mensem or Rs 1056 per annum.

Yours faithfully,

Deputy Commissioner,
Chikmagalur District.
